RINGING IN SALES OF OFFER BAR ITEMS

An a la carte serving of fruit or vegetables is 75¢.

_when a patron selects individual fruit or vegetable servings and does not have an entrée:_
Each portion of fruit or vegetables should be rung in at 75¢
  - A portion is 1 scoop, 4 oz or the amount that fits in one small section of the tray (regardless if it is one type of fruit or vegetable or in combination).

_when a patron fills their tray with salad (an amount equal or greater to what fits in the entrée section of the tray) and does not have a main entrée:_
It would be charged the current entrée price.

_when a patron fills their tray with salad (an amount equal or greater to what fits in the entrée section of the tray) and has a beverage (milk or juice or 2) and/or a bread serving and/or a fruit serving:_
It would be charged at the current meal price.

_at the secondary school level:_
The patron should be encouraged to use the black bowl for their salad the next time and their salad (entrée or meal) can be with or without a salad topper (protein) cup.
