

Dear Liberty View Parents,

Join the Birthday Book Celebration by donating \$15.00 to the Liberty View Library Media Center. The week of your child's birthday or half birthday, your child will be asked to come to the library to choose a birthday book from our new book arrivals. A special birthday bookplate will be placed in the front of the book with your child's name and birthday, displaying that they helped donate the book to our library. Your child will be the first to check out his/her birthday book. When the book is returned, it will become a gift to our Liberty View Library Media Center collection to be read and enjoyed again and again by the Liberty View students.

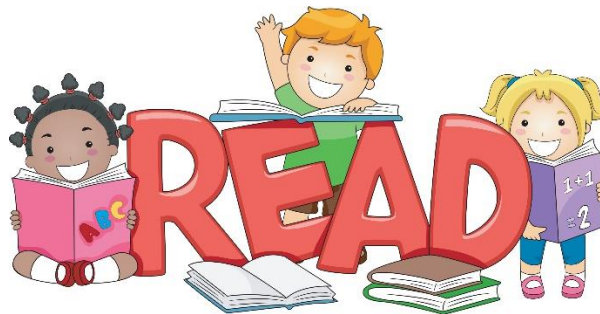

Please ask your child about their birthday book
and be sure to share in the reading of it.

We appreciate your support of reading in our young people's lives.

Sincerely,

Mrs. Tomas—Library Media Specialist
