

Blue Valley Unified School District No. 229

**Athletic Apparel and Equipment RFP #22001
Addendum #1: Questions Deadline (9/17/2021)
Issuance Date: September 20, 2021**

Q1. Can you clarify how long the contract is? Four or two?

A1. The length of the contract is a partial year (1/1/2022 – 6/30/2022), with four optional annual renewals.

Q2. Can we get clarification? Do we have to bid on each line of the excel pricing exercise? I know during the meeting you said you are thinking about awarding to multiple vendors based on responses. Hoping that we can bid on just the items we do offer and don't have to be excluded based on a few of the items that we don't carry.

A2. You will only bid in the excel pricing exercise what you can sell to Blue Valley. If you do not offer that item, please put "NO BID" in the columns.

Q3. May we submit multiple bid responses?

A3. Yes, the District will consider alternate bids.
