

# Firefighter, Firefighter, What Do You See?

Firefighter, firefighter, what do you  
do?

I say "People, I'm here to help  
you!"

Firefighter, firefighter, where do you stay?

I stay at the firehouse night and day.

Firefighter, firefighter, how do you get around?

I drive in a fire truck with a big loud sound.

Firefighter, firefighter, what do you say?

I say "I want people to stay safe in every way!"
