

**It's Great to Work Together**

**It's great to work together.**

**It's what I like to do.**

**It's great to work together.**

**Do you like it, too?**

**It's great to work together.**

It's fun with two or three.  
It's great to  
work together.  
So come  
and work  
with me!
