

Exact Verbs in Stage Directions

Read the stage directions. Identify the exact verbs.

Mrs. Bibby: Yes! They *are* extremely close, Sheriff.
Don't worry, I'm sure the Princess can deal with this situation.

(McGrew looks at her, hesitates, then backs off.)

Veronica (Coaxing): See? I've got a big tub of popcorn. We can share it.

(She gets up on the stage with the Appetite, who backs off a little.)

Veronica: Don't be afraid. It's delicious. It's got real butter. And it's hot, too. Try some.

(She takes a handful for herself and hands the popcorn to the Appetite. The Appetite eats some. She smiles, and says "Mmm." Then Veronica and the Appetite walk off-stage together, sharing the tub of popcorn and making Mmm sounds together.)

(Moviegoers, Fisk, Joe, and Mrs. Bibby applaud, as at the end of a movie.)

McGrew (Moved, but hiding it under a gruff show):

Okay, folks. The excitement's over. Get your refunds at the box office.

(Exit Moviegoers.)

(Veronica returns alone, tossing up popcorn and catching it in her mouth.)
