

Topic 2 Performance Task

Name _____

Make a pattern of block towers like the one shown.

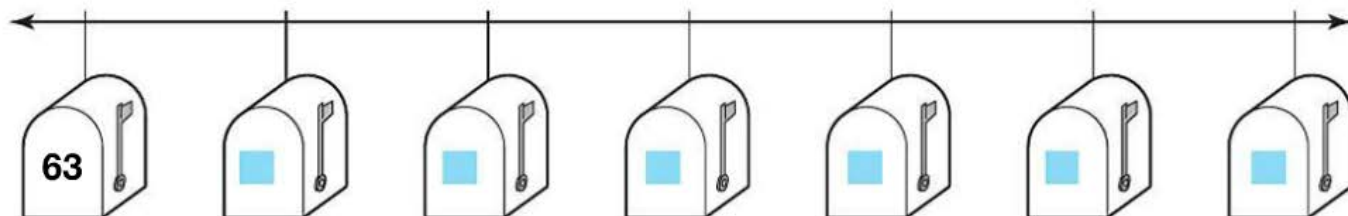

1. Your block tower will have 5 blocks in each story. In the space below, draw the first four block towers in your pattern. Add one story each time.

2. Complete the table below for your pattern.

Number of Stories	1	2	3	4	5
Number of Blocks	5	■	■	■	■

3. How many blocks would you need for a 6-story tower in your pattern? How do you know?

4. Make a pattern of house numbers beginning with 63. Write the numbers on the number line below.

5. What is the rule for your number pattern?
