

# Using Context Clues

When salmon are rare, grizzlies will hungrily devour every one they catch. (page 610)

The bugling of sandhill cranes sweeping south in great ragged Vs announces autumn across Alaska. (page 611)

Blueberry, blackberry, and crowberry bushes blanket the ground, offering a rich harvest for bears. (page 611)

As the days shorten, bears must put on a large store of fat to take them through winter. (page 612)

People continue to tame and subjugate nature. (page 614)

Today's snowfall marks the advent of winter. (page 616)
