

Seasons

It's September. The leaves
come down from trees that
are short and tall.

It must be fall!

It's December. The cold wind
makes me shiver-brrr!

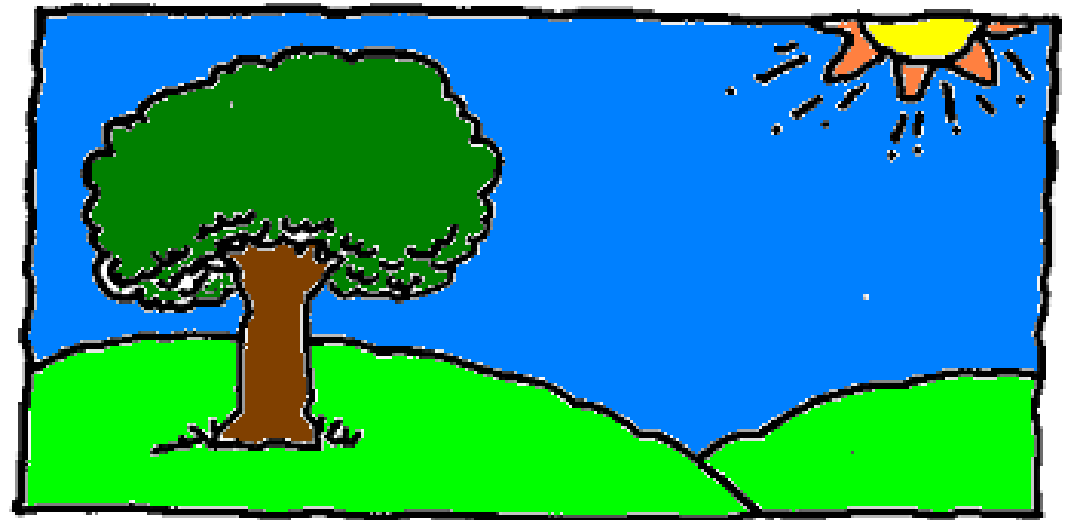

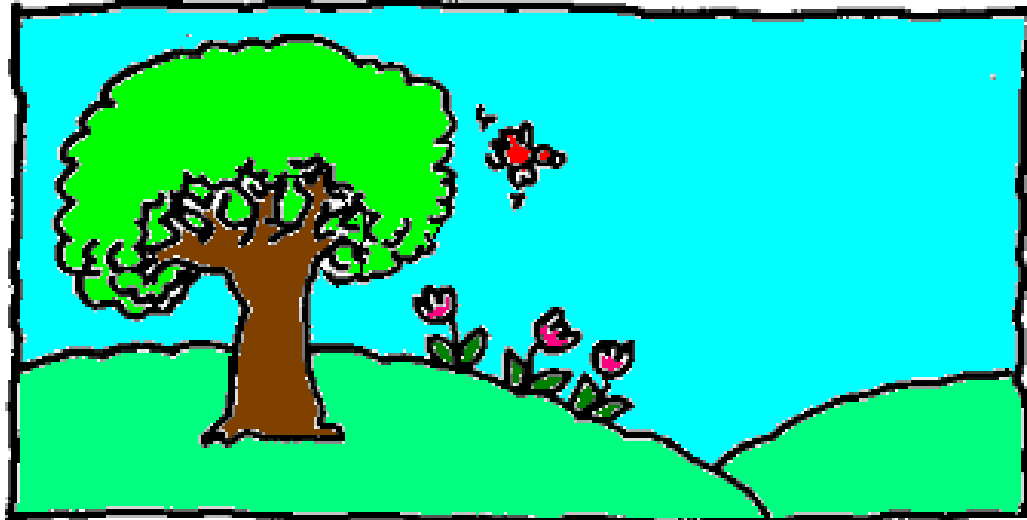

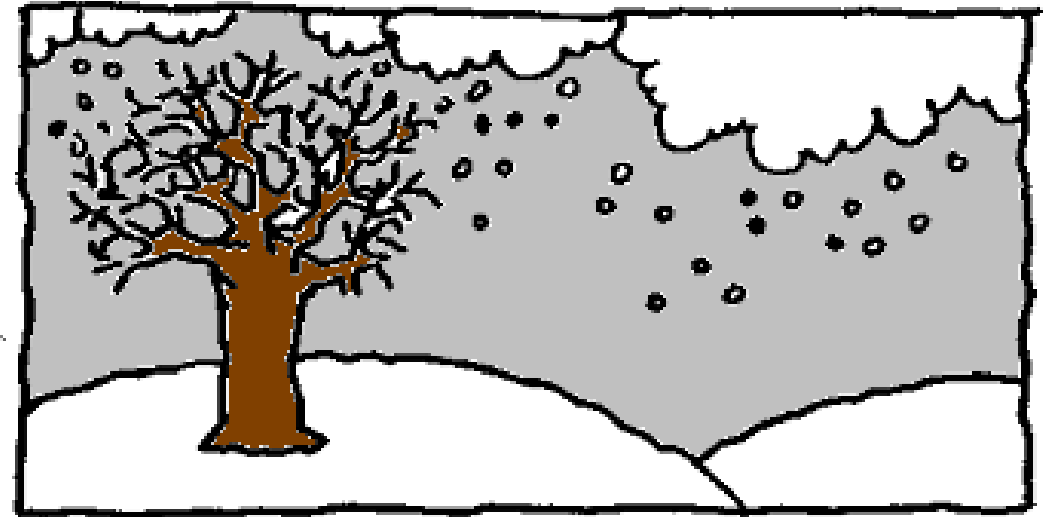

It must be winter!

**It's March. I see birds flying and
hear them sing.**

It must be spring!

**It's June. Here comes the band.
I see the drummer.**

It must be summer!

Grade 3 Theme 4-1:

Animal Habitats
Nights of the Pufflings

Label and color the pictures *fall, winter, spring, or summer.*
