

# Problem-Solution Paragraph

## Ricky's Lost Mustache

Ricky loses the mustache that his teacher gave him to wear in the *Cinco de Mayo* play. The problem comes up because Ricky wears the mustache home instead of leaving it in his desk at school. He has to have a mustache by Monday or he will be in trouble for taking it home without permission. He will also need a mustache to wear in the play.

Ricky tries to solve his problem by looking for the lost mustache. Then he tries telling his mother about the problem. Next, he tries making a mustache. Finally, he tells his father what happened.

In the end, the problem is solved with his parents' help. His father shaves off his own mustache, and Ricky's mother makes it into one that Ricky can wear. Ricky learns that his parents care a lot about him and that he should listen to his teacher. He also learns that he should be more careful with his new mustache.
