

Word Families

Jeff cares for his little sister.
Sometimes she is careless and drops food
or toys.
Jeff teaches her to be more careful.

Too much sun is harmful to your skin.
Even though people fear them, most snakes
are harmless.

Dad is such a sound sleeper that nothing
wakes him.
Sandy was tired after her sleepless night.
Max was so sleepy he took a nap.

Every year, Tom sings in the spring program.
The singer wore a fancy costume.
